

HANDRAIL SYSTEMS

**STRONG AND SAFE
GUARDING ARRANGEMENT**

GGFRAIL fibreglass (GRP) handrail is an industrial /commercial railing system for stair rails, platform / walkway handrails and guard rails. The GGFRAIL system is particularly well suited to corrosive environment.

- ▶ Petrochemical plants
- ▶ Plating operations
- ▶ General Industry
- ▶ Wet wells
- ▶ Marine / Offshore
- ▶ Water / Waste water
- ▶ Hotel balconies
- ▶ Highways/ Airport Runways
- ▶ Public utilities
- ▶ Tank & Tank Farms
- ▶ Chemical plants
- ▶ Amusement parks
- ▶ Beach Houses
- ▶ Swimming pools

- ▶ Corrosion resistance
- ▶ Structurally strong
- ▶ High impact resistance
- ▶ Light weight
- ▶ Non conductive
- ▶ Impervious to bacterial growth
- ▶ Low thermal conductivity
- ▶ Low maintenance
- ▶ Fire retardant
- ▶ Resistance to UV light
- ▶ Easy to field fabricate
- ▶ Non toxic
