WELCOME TO GULF GLASS FIBRE W.L.L.

Gulf Glass Fibre W.L.L. (GGF), the first fibreglass products factory in Qatar, with its high quality products, experience and resources have positioned itself to meet its marketing policies and goals to satisfy the customers' needs at various levels in the country.

One of the secrets behind our success story in this country has been the customers' realisation of the advantages to buy an internationally developed and locally produced GRP / fibreglass products from a company, which also offers comprehensive technical service as opposed to buying from a source which has very limited or no technical service capabilities.
